

## **Dr. Reza Bagheri**

---

### **THORACIC SURGEON**

#### **Professor of Mashhad University of Medical Sciences**

---

### **Education**

<b>Fellow ship of heart and lung transplantation UCLA</b>	2011
<b>Thoracic Surgery:</b> Tehran University of Medical Sciences	2002 to 2004
<b>General Surgery:</b> Mashhad University of Medical Sciences	1995 to 2000
<b>Medical Doctor:</b> Mashhad University of Medical Sciences	1987 to 1994

**MD Thesis:** The Ten Years Retrospective Study of Blunt Chest Wall Trauma in Mashhad Qhaem Hospital.

**General Surgery Thesis:** Two papers published in medical journal of Mashhad University of Medical Sciences.

- Study of 186 bronchiectatic patients who have been operated on from 1357 to 1376 at Quaem hospital, Medical Journal of Mashhad University of Medical Sciences, Vol 42, No 64, 1999, page 62-69
- The Report of two cases of Mediastinal Paraganglione, Medical Journal of Mashhad University of Medical Sciences, Vol 42, No 64, 1999, page 106-114

**General Thoracic Thesis:** The Result of Tracheal Stenting in Treatment of Sever Tracheal Stenosis in Tehran Valiasr Hospital, 2002 and 2003.

Passed the following courses at Sina, Imam Khomeini and Shariati Hospital (while studying at Tehran University of Medical Sciences):

- |                      |                             |                                   |
|----------------------|-----------------------------|-----------------------------------|
| - Esophageal Surgery | - Pulmonary Cancer          | - Bronchoscopy (Rigid & Flexible) |
| - Tracheal Surgery   | - Mediastinal Tumor Surgery | - Pulmonary Resection             |
| - VATS               | - ICU                       |                                   |

## Books

Leili Zarifmahmoudi, David N. Krag, Ramin Sadeghi , Reza Bagheri , and Susan Shafi ee.**Radioguided Sentinel Lymph Node Mapping and Biopsy in Non-small Cell Lung Cancer (NSCLC).**Radioguided Surgery: Current Applications and Innovative Directions in Clinical Practice, Edition: 1th, Chapter: 20, Publisher: Springer, Editors: Ken Hermann, Ongo E. Nieweg, Stephen P. Povoski, pp.315-333. March 2016

## Subject, Place and Date of the Conference

### International congress

1. 29th Congress of the World Society of Cardiovascular and Thoracic Surgeons September 6–8, 2019, Bulgaria.

Subjects:

- Examination of the Methods of Surgery in Treatment of Pulmonary Aspergilloma
- Effect of diaphragm plication on phrenic complication of nerve excision in thymoma patients with and without myasthenia gravis.
- Sentinel node mapping in non-small cell lung cancer using intra-operative radiotracer technique
- Thymectomy for non-thymomatous myasthenia gravis: comparison of video-assisted thoracoscopic and transsternal thymectomy

2. National Palace of Culture, Sofia, Bulgaria .ISMICS, 2017, Italy.

Subjects:

- Sentinel Node Mapping In Non-small Cell Lung Cancer By Radiotracer.
- Thymectomy For Non-thymomatous Myasthenia Gravis: Comparison Of Video-assisted Thoracoscopic & Transsternal Thymectomy

3. National Palace of Culture, Sofia, Bulgaria .ISMICS, 2017, Italy.

Subjects:

- Sentinel Node Mapping In Non-small Cell Lung Cancer By Radiotracer.
  - Thymectomy For Non-thymomatous Myasthenia Gravis: Comparison Of Video-assisted Thoracoscopic & Transsternal Thymectomy.
4. ISMICS, June 2016, Canada  
Subjects:
    - Video-assisted thoracoscopic surgery versus axillary thoracotomy in primary spontaneous pneumothorax.
    - Thoracoscopic Sympathicotomy In Treatment of Palmar Hyperhidrosis.
    - Comparison of the outcomes of open thoracotomy versus minimally invasive thoracoscopic esophagectomy in esophageal cancer.
  5. EACTS, Oct 2015, Amsterdam, Netherland.  
Subject
    - Accuracy of sentinel node biopsy by 99mTc-phytate in patients with non-small cell lung carcinoma
  6. EACTS, 2014, Milan- Italy.  
Subject
    - Primary malignant chest wall tumors: analysis of 40 patients
  7. 27th European Association For Cardio-Thoracic Surgery (EACTS), 2013.Vienna, Austria.  
Subject
    - Results of Neoadjuvant Therapy on Early Side effects of Esophageal Cancer Surgery.
  8. 3rd International Congress of Endoscopic & Minimally Invasive Surgery, Khorasan Congress of Surgery (KCS), Mashhad 7-9 Nov 2012  
Subject
    - Minimally Invasive ThoracoscopicEsophagectomy in Esophageal Cancer: Analysis of 20 Cases.
  9. 3rd International Congress of Endoscopic & Minimally Invasive Surgery, Khorasan Congress of Surgery (KCS), Mashhad 7-9 Nov 2012  
Subject
    - The Role of VATS in Treatment of Primary Spontaneous Pneumothorax.
  10. 3rd International Congress of Endoscopic & Minimally Invasive Surgery, Khorasan Congress of Surgery (KCS), Mashhad 7-9 Nov 2012,  
Subject
    - The role of interventional pulmonology in the management of bronchus intermedius (BI) complications after lung transplantation.
  11. 26<sup>th</sup> EACTS annual meeting 25<sup>th</sup> -31<sup>st</sup> October 2012, Barcelona, Spain,  
Subject
    - Accuracy of sentinel node biopsy in esophageal carcinoma: Systematic review and meta-analysis of the literature.
  12. 32<sup>nd</sup> ISHLT annual meeting & scientific sessions, 18<sup>th</sup>- 21<sup>st</sup> April 2012, Prague, Czech, Republic
  13. 5th international congress on pulmonary disease, intensive care and tuberculosis, 15-18 Oct 2011  
Subjects:
    - Outcome Of Patients Following Surgery For Complicated Tuberculosis: Analysis of 108 patients
    - The role of VATS in the staging of non-small cell lung cancer
  14. 25th EACTS Annual Meeting, Lisbon, Portugal, 1-5 Oct 2011,
    - subject: The effect of neoadjuvant chemoradiotherapy on airway colonization and post-operative respiratory complications in the patients undergoing esophagectomy for esophageal cancer
  15. 31<sup>st</sup> Annual Meeting & Scientific Sessions (ISHLT), San Diego, California, 13-16 April 2011.
  16. 24th EACTS Annual Meeting, Geneva-Switzerland, 13-15 sep 2010,

- subject: Bone marrow involvement in esophageal cancer patients whom underwent surgical resection
17. European respiratory society annual congress 2009, sep 12-16 2009, in Vienna, Austria,
    - Subject: The role of thoracoscopy for the diagnosis of hidden diaphragmatic injuries in penetrating Thoracoabdominal Trauma
  18. European respiratory society annual congress 2009, sep 12-16 2009, in Vienna, Austria,
 

Subject:

    - The role of thoracoscopy for the diagnosis of hidden diaphragmatic injuries in penetrating Thoracoabdominal Trauma
    - Malignant pleural mesothelioma: Clinicopathologic and survival characteristic in a consecutive series of 40 patients
    - Tracheobronchopulmonary carcinoid tumor: surgical management and long term outcome
  19. CHEST 2008, October 25-30, 2008 , Philadelphia-USA,
 

Subject:

    - Malignant superior vena cave syndrome: is this a medical emergency?
    - The role of thoracoscopy for the diagnosis of hidden diaphragmatic injuries in penetrating Thoracoabdominal Trauma
    - Tracheobronchopulmonary carcinoid tumor: surgical management and long term outcome
  20. 22nd EACTS Annual Meeting, Portugal ,Lisbon 13-17 september,2008,
 

Subject: The role of thoracoscopy for the diagnosis of hidden diaphragmatic injuries in penetrating Thoracoabdominal Trauma
  21. European Respiratory Society 15-19 sep. 2007 Stockholm, Sweden
 

subjects:

Transthoracic Versus Transhiatal Esophagectomy”The role of ultrasonographic guided transthoracic needle biopsy in diagnosis of peripheral lung mass”
  22. Annual meeting of society for cardiothoracic surgery in Great Britain and Ireland, 11-14 March 2007, Manchester UK
    - subject: Transhiatal versus transthoracic esophagectomy.
  23. European respiratory society, Germany, Munich, 2 -6 september 2006
    - subject: Surgical Management Of Broncholithiasis Due To Tuberculosis With Hemoptysis: Experience With 5 Operated Cases
  24. 4<sup>th</sup> Croatian Congress of surgery with international participation, Croacia, Zadar, 24-27 may 2006,
 

Subjects:

    - The role of tracheal stenting in the alternative treatment of tracheal stenosis.
    - The study of 22 cases of mediastinal tumors in children with acute respiratory manifestation
  25. 9<sup>th</sup> Turkish Thoracic congress ,Kemer ,Turkey,19 to 23 April,
    - Subject :Anterior transcervicothoracic approach for complete resection of cervico thoracic mediastinal tumors,Poster presentation

## Internal Congress

1. Iranian Association of Surgeons. Tehran, Razi Congress Center, 1397.
 

Subjects :

  - Results of Neoadjuvant Therapy on Early Side effects of Esophageal Cancer Surgery
  - Evaluation of sterno-chondroplasty efficacy in treatment of pectus deformities
  - Outcome of bronchial repair in 10 patients with main bronchus injury following blunt chest trauma

2. The Society of Surgeons, Tehran, 1393.  
Subjects:
  - Minimally Invasive Thoracoscopic Esophagectomy in Esophageal Cancer :Analysis of 20 Cases
  - The Role of VATS in Treatment of Primary Spontaneous Pneumothorax
  - Primary malignant chest wall tumors: analysis of 40 patients
3. Khorasan Surgical Congress, Mashhad, 1393  
Subjects:
  - Primary malignant chest wall tumors: analysis of 40 patients
  - Outcome of bronchial repair in 10 patients with main bronchus injury following blunt chest trauma
4. Thirty-seventh annual congress of Iranian Society of Surgeons, May 18-14, Mashhad, Iran, 1392.  
Subjects:
  - Accuracy of sentinel node mapping of the squamous cell carcinoma of the esophagus using intra-operative combined blue dye and radiotracer techniques
  - The Role of Interventional Pulmonology in Management of Bronchus Intermedius (BI) Complications after Lung Transplantation.
  - Diagnostic evaluation of 99mTc-EDDA/HYNIC-Octreotate scan in discrimination benign of malignant solitary Pulmonary nodule
5. The 10th Mediterranean & Middle Eastern Endoscopic Surgery Congress and 8 th annual congress of the Iranian association of laparoscopic surgery, Tehran, Oct 2010,
  - Subject: The role of thoracoscopy for the diagnosis of hidden diaphragmatic injuries in penetrating Thoracoabdominal Trauma
6. Iranian General Surgery Society Conference in Iran Medical Science University in Tehran 2010,
  - Subject:
  - Bone marrow involvement in esophageal cancer patients whom underwent surgical resection
  - Surgical Treatment of Achalasia: Transabdominal Versus Transthoracic Cardiomyotomy
7. The international congress on pulmonary disease, intensive care and tuberculosis with the collaboration of European respiratory society (ERS), October 14-16, 2009, Tehran-Iran,
  - Subject : Tracheobronchopulmonary Carcinoid Tumors: Surgical Management and long Term outcome Adenoid cystic carcinoma of trachea Malignant pleural mesothelioma: Clinicopathologic and survival characteristic in a consecutive series of 40 patients
8. Iranian General Surgery Society Conference in Iran Medical Science University in Tehran 2009,  
Subject:
  - Malignant pleural mesothelioma: Clinicopathologic and survival characteristic in a consecutive series of 40 patients
  - Transthoracic Versus Transhiatal Esophagectomy
9. Iranian General Surgery Society Conference (mid season) Mashhad 2008,  
Subjects:
  - Esophageal surgery complication
  - Preoperative assessment of patients that candidate of elective surgery (chairman of panel discussion)
10. Iranian General Surgery Society Conference in Iran Medical Science University in Tehran, May 2008,  
Subject: Malignant superior vena cave syndrome. Is this a medical emergency?
11. 5<sup>th</sup> Congress of laparoscopy surgery, Iran, Tehran, Mars 2008,  
Subject: The role of Video-assisted thoracoscopy in evaluation of undiagnosed pleural effusion
12. Iranian General Surgery Society Conference in Iran Medical Science University in Tehran May 2007,  
Subjects:
  - Surgical Management of Broncholithiasis Due To Tuberculosis With Hemoptysis: Experience With 5 Operated Cases.
  - Transthoracic Versus Transhiatal Esophagectomy

- A case report of a case of lymphomatosis of esophagus
13. Iranian General Surgery Society Conference in Iran Medical Science University in Tehran May 2006,  
Subject:
    - Anterior transcervicothoracic approach for complete resection of cervico thoracic mediastinal tumors, Poster presentation
  14. Iranian General Surgery Society Conference in Iran Medical Science University in Tehran May 2005
    - Subject : The role of tracheal stenting in the alternative treatment of tracheal stenosis
  15. Iranian Thoracic Surgery Society Conference in Massih Danveshvary Hospital in Tehran, October 2004  
Subject: Thymoma.
  16. Iranian Thoracic Surgery Society Conference in Massih Danveshvary Hospital in Tehran, December 2004  
Subject: Thoracic Outlet Obstruction.

## **Honors, Awards and Scholarship**

- The best research scientist in mashhad university medical sciences (2013)
- The best research scientist in mashhad university medical sciences (2011)
- The best research scientist in mashhad university medical sciences (2008)
- In 2002, was accepted in Thoracic Surgery Subspecialty at Tehran University of Medical Sciences; worked as Chief Resident in second year and completed the course in 2004 - second place in the country.
- Accepted for General Surgery Program and worked as Chief Resident the last years and received Board Credentials in 2000 (General Surgery).
- Graduated in 1994 as a General Physician – “Top of Class.”

## Qualifications

National Science Diploma (IRAN)

MD (IRAN)

National Board of General Surgery (IRAN)

National Board of Thoracic Surgery (IRAN)

## Medical / Professional Experience

**MASHHAD UNIVERSITY QHAEM HOSPITAL, Mashhad, Iran**

**2004 to Current**

### Assistant Professor

- Earned the Associate Professor title for innovative and effective teaching and training techniques.
- Full responsibilities for teaching and training general surgery residences (In theory and in action).
- Train medical student from within the university system and those attending other institutions as well.
- Manage and responsible for medical departments (Surgery rooms and clinics).

### Associate Professor

- Upgrade from assistant professor to associate professor

**11 March 2010**

### Full Professor

- Upgrade from associate professor to full professor
- 

**July 2016**

**FERDOUS CITY HOSPITAL, Ferous, Iran**

**2000 to 2002**

### General Surgeon

- Reorganized and managed Emergency Division that increased efficiency, patient service, and safety.
- Minimized risks and improved services to optimize patient care.
- Managed and planned training material and courses / classes for physicians.
- Planned and directed training material and courses / classes for staff “nurses.”
- Performed successful and critical surgeries, with emphasis on cancer (i.e. Esophagus Cancer, Stomach Cancer, etc.), with patients complete recovery and satisfaction in a town with a population of 50,000 – the only hospital in the region with limited high tech medical equipment.

**Ghaem Hospital, Mashhad, Iran**

**1996 to 2000**

**Imam Khomeini Hospital, Tehran, Iran**

**2002 to 2004**

### Chief Residency and Fellowship

- Earned Chief Residency by going above and beyond my line of duty and responsibilities:
  - Outstanding achievements on diagnosis, and patients care.
  - Excellent relationship with peers, nurses and patients.
  - Earned high levels of management respect throughout the hospital.
- During Thoracic Surgery Fellowship, solely managed the medical clinic, and took charge of staff training.

## Executive Positions:

- The head of Lung Diseases research center ,Mashhad University of Medical sciences(2017)
- The head of cardiothoracic surgery & transplant research center mashhad university of medical sciences (2016)
- The head of cardiothoracic surgery & transplant research center mashhad university of medical sciences (2012)
- Editor of chief journal of cardiothoracic medicine, mashhad university of medical sciences (2012)
- The head of heart & lung transplant department, mashhad university of medical sciences (2011)
- Vice director of research committee in department of thoracic surgery mashhad university of medical sciences from 2008
- Vice website of Ghaem hospital from 2007
- Vice director of education of intern and resident in department of thoracic surgery mashhad university of medical sciences from 2005
- Vice library of Ghaem hospital from 2005-2012

## Professional Affiliations

- Member of Iranian General Surgeon Society
- Member of Iranian Thoracic Surgeon Society
- Member of European association for cardiothoracic surgery
- Member of society of thoracic surgeon ( American society)
- Member of ISMIS
- Member of European Respiratory Society
- Member of endoscopic and minimal invasive surgery research center mashhad university of medical science
- Member of cancer research center mashhad university of medical science
- Member of lung disease and tuberculosis, research center mashhad university of medical science
- Member of National Iranian Committee of education of program in thoracic surgery
- Member of research committee mashhad university of medical science

## Personal

Passport: Iran (B 1085968)

Male, Married, excellent health

Nationality: Iranian
